Dear Prospective Member,

Thank you for your interest in joining Trentham Park Golf Club. If your interest results in you actually becoming a member, you will not be disappointed.

I know that I am biased, but members of other clubs and visitors who have enjoyed the hospitality of Trentham Park, have told us that our golf course is one of the best in Staffordshire and the surrounding area. Indeed many new members who have changed allegiance from neighbouring clubs regularly tell me that it was the best decision they ever made!

The par 71 parkland course has the most memorable first tee shot and last 6 holes (referred to as "The Park" from where the golf club takes its name), and is a fantastic and enjoyable challenge to golfers of all abilities. This includes people who have only just started to play and accomplished single figure handicappers. Indeed the club's membership boasts David Gilford (former Ryder Cup player (1991 at Kiawah Island and 1995 at Oak Hills and 6 times European Tour Winner) and current European Tour player, Simon Wakefield. Both David and Simon came through the junior ranks at Trentham Park Golf Club. The continued investment and development of Juniors is another strength of Trentham Park Golf Club.

In addition to the golf course, we believe we have the best golf club catering in the area too. Again, a fact supported by the many visitors that use these facilities. We offer extensive Breakfast, Lunch and Dinner Menus and the choice of food on offer at the numerous social events is truly mouth watering. The Social events that are organised are well supported by all members and are great fun. I know they will be appealing for any prospective member to attend, join in and meet some new friends whilst enjoying a great meal and a drink.

We know that not everyone wants to play golf at weekends or that some people just want to enjoy the excellent clubhouse facilities and catering but are not interested in golf. We offer a variety of different membership categories to accommodate people's different needs and they can be found within this information pack.

If you are interested in finding out more about Trentham Park Golf Club, please feel free to contact:

Golf Club Manager / Administration Assistant	01782 658800
